

Home & school

Working

together

snakes, ladders and smiley faces

Rules of the game:

Place your counters on the start.

Take it in turns to throw the die.

Move on the number of spaces shown on the die.

If you land on a smiley face, your opponent should take a card from the top of the pile and read the question.

If you get the wrong answer, stay where you are.
If you get the right answer, follow the instructions.

Use your number line and 100 square to help you.

Go up the ladders when you land at the bottom.

Go down the snake if you land on the tongue.

The winner is the first person to reach the finish post at number 100.

Record the winner in the Homework Diary and bring it back to school on Friday!
