16th October 2018

Dear Parents / Carers

Scooter Training

We would like to inform you that year 2 and 3 children will be taking part in a scooter training session on Wednesday 21st November. These sessions will be in the school time and will be run by the schools road safety team. Each session will run for 30-40 minutes. The children will be taught to ride their scooters safely on the school playgrounds.

To participate in these sessions every child will need a named scooter. If your child does not own a scooter there may be an option to share with another child in a different group. If you are not willing to lend your child's scooter to another child, please inform your child's teacher. Children without use of a scooter cannot participate in the workshop.

We would not recommend children use 'stunt' or 'trick' scooters or the ones that are 'v-shaped'. All scooters will need to have a working brake otherwise children cannot participate in the workshop. Any child with a scooter that does not have a working brake cannot participate in the workshop.

If children are bringing their own scooters they should walk them from the school gate and park them up under the bike shelter located on the school field. Helmets are not essential, however if your child brings a helmet they will be asked to wear it for their session.

Please return the below slip to the class teacher by Wednesday 14th November.

Yours sincerely

Miss Ayrton
Assistant Principal

Scooter Training

Name of the child: Year

**Please tick the appropriate response*

I consent for (childs name)to attend the scooter training

My child will not be able to attend the scooter training.
